SIGHT WORD SAFARI

1ST GRADE EDITION

To start, have each player place their game piece on the alligator. Shuffle the cards and take turns picking a card from the top of the pile. If you pick a card that has the animal you are already on, return that card to the bottom of the pile and pick again.

There are three types of cards:

Find that animal! Move one square at a time, horizontally or vertically (but not diagonally) towards the animal you picked. You must correctly read each word to continue moving. If you reach your destination, keep the card. If you land on a word that you cannot read, return your card to the bottom of the pile and your turn is over. On the next turn, pick a new card.

You are a friend to the animals and earn an extra turn! As above, begin moving your piece towards the animal on the card. When that turn ends, pick another card for a second turn.

An animal is blocking the road ahead! Respect the animal's right of way and lose one turn.

First player to collect 5 animal cards wins.
